**Subject:** Draft EPA/CDC response to Senator Rockefeller

Hi all,

Here is the latest draft joint response- already reviewed by Randy, OEM, and R3. I plan on sending this to CDC this afternoon, so please let me know any comments or concerns asap.

Thank you!

## Ex. 5 - Deliberative

Randy, do you prefer to work with Steve, or you can pass on my contact info, to his ATSDR legislative person (my poc retired)?

Jim, here is the letter going to Representatives Manchin and Capito. We are still discussing the joint response to Sen Rockefeller with ATSDR/CDC, but are making progress.

Randy, this is the letter going to Representatives Manchin and Capito. The Rockefeller letter is exactly the same as the first page, without the basis on the second page. We are working now to see if we can do a joint response to Sen Rockefeller as we discussed.

Hi all,

The final letter to Representatives Manchin and Capito re: the WV spill went out today. Rockefeller letter is still in clearance.
